# UNION SETTLEMENT

Union Settlement is an on-the-ground resource for East Harlem residents of all ages, and a passionate advocate for the needs of underserved communities. Since opening our doors in 1895, we have brought education, wellness and community-building programs to our neighborhood, empowering New Yorkers with opportunities to better their lives. By helping our neighbors realize their goals, we build the vitality and success of East Harlem.

The Union Settlement Associate Board is a group of young professionals (aged 21-39) who share Union Settlement's commitment to equipping our East Harlem neighbors with the opportunities to better their lives and achieve their dreams.

Associate Board Members are young professionals who have at least three years of work experience and are enthusiastic about serving as supporters and advocates for Union Settlement.

Members connect both their professional and social circles to our organization through unique fundraising, networking and social events that the Associate Board and Union Settlement host each year. The Associate Board will have the opportunity to partner with staff, engage with the Board of Directors and raise awareness of the work we do in East Harlem.
