**UNION  
SETTLEMENT**

Dear Friends of Union Settlement,

Hello and thank you for joining Toasting Union Settlement. Tonight is a celebration of our program participants who have demonstrated tremendous resilience during the pandemic, our outstanding staff who have continued to provide services throughout these difficult times, and our dedicated supporters and volunteers.

We are pleased to highlight Union Settlement's work in East Harlem, not just during the pandemic, but throughout the past 125 years. We hope to provide you with a deeper understanding of our programs, and by extension, an understanding of how important and impactful our work is in this community.

Union Settlement is pleased to honor **Dan Paduano**, Managing Director of Neuberger Berman and former Chair of the Union Settlement Board of Directors, and **Pat Wang**, President and Chief Executive Officer of Healthfirst, as our 2020 Honorees. We will also present **Citi** with the Corporate Partner Award and **Milbank** with the Law Firm Partner Award for their longstanding support and partnership. You will hear inspiring words from them during the program.

We are also grateful to all of our sponsors and benefactors who enable Union Settlement to effect real change in East Harlem.

While we would prefer to gather with you in person, we are grateful to be able to join with you online to share the impact of the work made possible through our collective partnership. Please be sure to connect with us in the chat box this evening.

Thank you again for your continued support—it is deeply appreciated.

Sincerely,

Amy Sherman  
Chair, Board of Directors

David Nocenti  
Executive Director
